COURSE SCHEDULE - P-CS-SCH

Please note:

WE HAVE SHIFTED TO A NEW LOCATION AT MORATUWA FISHERY HARBOUR FROM 17 TH DECEMBER 2012.

We have received information that some people are allegedly issuing forged Certificates. Therefore, you are advised to be vigilant when accepting the certificates. In case of any doubt, please visit our Web site www.seamatelanka.com or check with us by phone or by fax. In order to increase the security of certificates issued by us, we have now started the inclusion of a colour Photo of the Student with white background on the certificate as per the new format of the Ministry with effect from 29th August 2012.

Please note that we can provide limited accommodation for Students LKR.200/- a day or LKR.1500/- . Per month. Food can be purchased from academy canteen or from hotels around.

We have received advice from Ministry of Shipping not to accept any new person for training of Short courses unless they bring a letter issued from Ministry, authorizing for them to follow the safety courses. Therefore, please request new CDC applicants to get the approval from Ministry before calling academy.

Also, we have some deck cadets awaiting placement on ships. We highly appreciate if you can assist them to find a ship (any size) so that they can get their sea service. We can send a list of name on request.

As you are aware, there is a huge demand for Sri Lankan Officers, specially in the Middle East. In view of tightening rules in Middle East, large number of Sri Lankans with service experience cannot continue and have to come back. We have made arrangements for those who have 36 months proven sea service to get Class 5 Certificate of Competency (Watch Keeping Officer on Vessels of Less Than 500 GT sailing on Near Coastal Voyages). Please advise any seaman who wants to get COC certification to call over here.

We have started Deck Cadet training for Unlimited Training as well. If you have any vacancies, please inquire from us.

Please inform as early as Possible about your training requirements to allocate places for participants in the classes.

Capt. E.S.M.Senanayake MSc.

Managing Director:
